Changing Policy

In keeping with ECB guidance these guidelines apply to Adults and Children (under 18) sharing changing facilities. Where possible:

- Adults will not change or shower at the same time using the same facility as Children without giving them due notice.
- Adults should try to change at separate times from Children during matches (for example, when Children are padding up to bat).
- If Adults and Children need to share a changing room we will have consent from the parents of the Children concerned.
- If Children need to share a changing room with Adults, their parents will be allowed to supervise them should they wish.
- If Children play for Open Age teams, they, and their parents will be informed of the Club's policy on changing arrangements.
- Mixed gender teams will have access to separate male and female changing rooms.
- If Children are uncomfortable changing or showering with Adults, no pressure will be placed on them to do so. They will be encouraged to do this at home.
