

## OUR SPONSORS

Most Saturdays during the season we put out 5 men's/boy's teams which means at least 55 players. In addition, we have 2 lady's/girl's teams playing most Sundays as well as a men's Sunday team. And, if you were to come to the ground on a Saturday morning, you would see various adults supervising and schooling about 30 young boys and girls in the intricacies of the game of cricket. Teaching youngsters at this level also shows them the art of playing a team game which can have many benefits in their later life. What a wonderful asset this is for Mildenhall Town.

But all this takes money and effort and that is where our sponsors come in. Did you know that the average match cricket ball costs £25 and more. And to see the delight on a young man's face when he hits the opening ball of a match straight into the river Lark is a joy to behold. But not by the Treasurer!

If you, or someone you know, would like to be a sponsor, at whatever level you can afford, please do not be backward in coming forward. We need all sorts of help, not just money. We have players who spend a lot of their time keeping our ground up to scratch, and chasing away crows that insist on digging up the outfield looking for grubs, and marking the pitches so that they are ready for play, etc etc. We also need scorers. Cricketers are more concerned with playing than scoring but all games need at least 1 scorer per side particularly for the first and second men's teams, when the league can fine us if we don't have one for each game.

So if you would like to know more, find a member of the club and tell him or her and they will point you in the right direction.

And finally, a big thank you to the companies listed below who invest heavily in the club, without which we would not be able to survive.

## Matchsheet for Saturday 15th April 2023

### East Anglian Premier Cricket League

Play starts 11.00

Mildenhall v Gt. Witchingham

Limited Overs Match (50)

Welcome to a new season of top class cricket from the East Anglian Premier Cricket League. Last year our 1st eleven were within a whisker of being champions but were thwarted in our penultimate game by the eventual champions Sawston & Babraham CC. It must be said, they were the best side in the league over the whole season despite the fact that we gave them a good thrashing at Wamil Way. However, that's all in the past, and now we look forward to 2023 with the ultimate aim of improving on 2022.

Another winner last year was the weather as we managed to get through the entire season until the very last fixture, without a game being cancelled. More of that this year will be most welcome.

Today's players. For changes to the teams since publication of this program, please see our website under 'Matchsheet'.

Mildenhall CC	Opponents
1	1
